

IMPORTANT TOWN HALL MEETING FOR THIS AREA

**Wednesday, May 18, 6:00 p.m.
Robicheaux Center**

The purpose of this meeting is to offer information about the LUS fiber to the home plan, which will be decided in a July 16 vote.

This will be one of the most important decisions to be made about Lafayette in our lifetimes. Come get the facts directly from the people who work most closely with the project.

There will be a short presentation about what a fiber optic network is, followed by an opportunity to ask questions.

Who will be there:

- **Joey Durel, City-Parish President**
- **Terry Huval, Director of Lafayette Utilities System**
- **Dee Stanley, CAO, Lafayette Consolidated Government**

**Please come hear about
this very important issue!**

Why you should support the fiber initiative

- You will get cheaper cable, phone, and Internet.
- You will get better (faster and more powerful) cable, phone and Internet services.
- More of the money you pay for services will stay in Lafayette.
- Fiber will bring new businesses and new jobs to Lafayette -- jobs of all kinds.
- More jobs in Lafayette means our children won't have to leave to find work.
- Doctors, labs and hospitals will be able to give you better care.
- Our classrooms will some of the best equipped in the world.

**Come learn about the fiber project at the Town Hall Meeting this Wednesday . . .
we believe the more you learn about it, the more you will be in favor of it!**
