

Small town lifestyle, big city services

When it comes to delivering the best products and services, Mediacom is an 'equal opportunity' provider, no matter how large your community. Customers in Emmetsburg get the same services as those in larger cities, including outstanding technical support.

We're committed to serving Emmetsburg

Mediacom strives to provide the absolute best services for the most reasonable price. So, before your local government decides to spend millions of dollars to build an unnecessary telecommunications network, take a good look at the services already available in your community. We think you'll like what you find.

Want wider bandwidth? In Emmetsburg, you can get always faster internet speeds ranging from 3 Mbps to 105 Mbps. With boundary-free tv, you can get DVR, a growing selection of HD channels and Video on Demand. In short, the same advanced services that are available in Des Moines, Iowa City and Mason City, are also available today in Emmetsburg.
